

Junior Farm Spring 2008 Newsletter

Happy Easter from everybody at Junior Farm. Please come and see us soon. We have an exciting programme of Junior Farmer Days for 2008, see overleaf for dates.

New arrivals!!!

It's that time of year again!! Our bottle fed lambs have arrived, and are happily jumping around in their pens and we need your help in feeding them. You can bottle feed them at 11.00 am, 1.30pm and 3.30pm. We have a few different breeds this year, all different shapes and colours for you to see and stroke. **Check out our daily timetable on www.wroxhambarns.co.uk**

Now as well as our bottle fed lambs we also have our lambs that our very own Jacob, Welsh and Badger Faced ewes have given birth to recently. They are jumping around in their field with their mums, and of course Barnaby our ram is a very proud father.

Two New Faces

We have two new pigs on the farm; brothers called Bubble and Squeak. They are Kune Kune Cross pigs which originally come from New Zealand.

Squeak seems to be the cheeky one out of the two, while being fed you will always catch him with his front legs on the wall looking over and making lots of noise as if to say "hurry up with my food!"

Wroxie the Milkable Cow

We have a new cow on the farm called Wroxie, she may look like a real cow but actually she's a model, and is so realistic you can use her to practise your milking skills on! She's been with us for a few weeks now and has been a big hit with the children and I'm sure secretly with the adults too!

And, as usual at Easter time, our animal centre is filled with lovely chicks and rabbits waiting for you to see and hold!

Junior Farmer Days

Do you want to learn more about our farm animals?

Then come along to our Junior Farmer Days, the days are ideal for children aged 6 - 12yrs old. The places have to be pre-booked and are great value at £9.50.
